CLEARINGHOUSE RULE 95-083

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

SECTIONS 1 and 2 of Clearinghouse Rule 95-83 may be combined in a single SECTION. When two or more subdivisions of the same rule section are affected by the same treatment, they may be included in the same SECTION of the rule even though there are unaffected subunits intervening. [See s. 1.04 (2) (a), Manual.]

4. Adequacy of References to Related Statutes, Rules and Forms

The analysis of the rule cites s. 77.30, Stats., in part as statutory authority for the rule. Section 77.30, Stats., appears to have no relevance to continuing education courses.
